## WORK EXPERIENCE

**Inmisceo** London Area, United Kingdom

February 2025 – Present

Technology/training company building learning-technology tools for corporate training providers.

### Marketing Executive (CRM & Business Development)

- Led **CRM** platform selection and setup, enabling scalable marketing automation and GDPR-compliant data structures from the ground up.
- Supported **lead generation** initiatives through multi-channel marketing campaigns across email, LinkedIn, website and industry events, contributing to **pipeline** growth and customer acquisition.
- Collaborated closely with sales and leadership teams to qualify marketing-generated leads, coordinate follow-up activities and support product demos and webinars.
- Optimised lead nurturing pathways using open, click-through, and conversion rate analytics, resulting in a 45% increase in audience engagement.
- Managed **CRM** activities in **HubSpot**, maintaining audience segmentation, automated workflows and accurate customer records across a 100,000+ contact database.
- Ensured campaign QA, UTM tracking accuracy, and delivered monthly **CRM** campaigns to 100K+ contacts with high QA standards and GDPR compliance.

**Goldsmiths, University of London** London, United Kingdom

November 2023 – June 2024

University careers service — career planning, employability workshops and events for students.

### Marketing & CRM Ambassador

- Supported **CRM**-led digital campaigns reaching 50,000+ users, driving engagement and awareness across student-focused communications.
- Represented Goldsmiths on student panels and delivered talks sharing experiences at on-campus recruitment and widening-participation events (e.g. taster days, school visits).
